Dear MTAC SFEV Members,

The Bach Festival takes place this weekend at Pasadena Steinway. There will be two recitals: one at 1:30 and one at 2:30. 23 students will be performing. Thank you to chairpreson, Nobuyo Nishizaka, and her assistant Mriko Urushidani, for their work coordinating this event.

Our next teachers' meeting will take place at the home of Kim O'Reilly, Tuesday, May 12. Please note that we scheduled two meetings on Monday, this year, and two meetings on Tuesday to accommodate, as fairly as possible, teachers' varying schedules. Please save the date. Our May Meeting is traditionally a teacher performance meeting. Please contact Kim if you wish to perform.

Before this meeting, I would like to make sure that we have chairs and assistants in place for our events next year. We are extremely appreciative of those who have been doing some jobs for years, and we will acknowledge them up ahead. Meanwhile, please let me know in the next week or so if you would be willing to fill any of the positions listed below. Please also let me know if you are no longer willing to do the job you were doing during this last season.
